

# Intuition & the Art of Muscle-testing

Saturday, January 14, 2012

10am – 5pm

Amherst MA, venue TBA

Deborah Wilson, facilitator

\$85 by Jan. 3; \$95 after

(sliding scale by request)

Muscle-testing, also called applied kinesiology, is a simple tool you can use to access your intuition, read and direct your energy (chi) flow, and basically, change your life. Join us for a fun experiential workshop and learn how to use muscle-testing, exploring its applications and limitations through practice on yourself and others.

Re-awaken higher intuition  
Make decisions quickly & easily  
Read & direct energy (chi) flow
